A CURRICULM SUPPLEMENT FOR IMMERSING  
CHILDREN IN THE JOY OF THE LORD

A CURRICULM SUPPLEMENT FOR IMMERSING CHILDREN IN THE JOY OF THE LORD

One of the greatest attacks the devil has launched against this generation is discouragement and depression, and playing defense doesn't do anything to stop it. God has the supernatural solution...

**Isaiah 35:10** says, "The people the Lord has freed... their happiness will last forever. Their gladness and joy will fill them completely, and sorrow and sadness will go far away." The secret weapon God uses to destroy these works of the devil is to fill us completely with gladness and joy. Vintz is part of this solution.

This curriculum supplement will aid in developing a generation of children who live immersed in God! Vintz is not just a script along with a puppet, but it is an instrument that releases heaven. Vintz's purpose is to introduce children into the joy of the Lord and experience the pleasures of His Presence. Vintz will transform the way children's pastors teach their children!

THE SUPPLEMENT INCLUDES VARIOUS LESSONS SUCH AS...

- BE FILLED WITH GOD!
- ON EARTH AS IT IS IN HEAVEN
- GOD IS NOT MAD AT YOU!
- VICTORY IS IN OUR BARRELS
- REJOICE ALWAYS
- THE LANGUAGE OF JOY

## IMMERSE YOUR CHILDREN IN JOY!

**Seth Dahl** is currently the Children's Pastor at Bethel Church in Redding, California. His wife Lauren is also on staff at Bethel with School of Supernatural Ministry, which they have both graduated from. They also have a daughter, Brooklyn. Seth believes in raising a generation of children who are strong (joyful) in the Lord. One of his passions is for them to encounter God and experience His works, preventing them from living a life of Christian form without the Reality (Judges 2:10-11).
